

EU and UK RoHS Declaration of Compliance

In accordance with EN ISO/IEC 17050:2010

MSA products listed below are in compliance with the following Directives and Standards.

UK Gov Standards:

- Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012, as amended (UK Statutory Instrument 2012 No 3032).

EU Directives:

- 2011/65/EU The Restriction of Hazardous Substances Directive (RoHS2)
- 2015/86/EU Amending Annex II of RoHS Directive 2011/65/EU: Phthalates

This declaration of compliance is issued by MSA.

All homogeneous materials for the products manufactured do not contain RoHS substances in concentrations greater than the listed maximum value or state the applicable exemption.

MSA bases its knowledge on the substance content of its products on information provided by third parties such as suppliers and test laboratories. MSA makes no warranties, expressed or implied, and assumes no liability in connection with the use of this information.
