## Toxic Substance Control Act Import Statement

Chemical substances imported into the United States must be accompanied by a certification form indicating that the shipment is in compliance with the EPA's Toxic Substance Control Act. This shipment contains the following chemical substances (you can skip this chemical name and CAS part if an ingredient is confidential):

Chemical Name

Chemical Abstracts Services (CAS)  
Registry Number (if available)

NONE

NONE

The following certification can be made regarding this shipment (select one of the following two certifications).

- I certify that all chemical substances in this shipment comply with all applicable rules or orders under TSCA and that I am not offering a chemical substance for entry in violation of TSCA or any applicable rule or order under TSCA.

(Or)

- I certify that all chemicals in this shipment are not subject to TSCA.

(And, if applicable)

- The attached list of chemical substances will be used for research purposes only.

This declaration is based on MSA The Safety Company knowledge of the material that go into its products. MSA The Safety Company bases its knowledge on information provided by third-party suppliers and makes no representation or warranty as to the accuracy of such information. MSA The Safety Company continues to take steps to obtain accurate information from suppliers but has not conducted descriptive testing or chemical analysis on incoming materials to verify material composition.
